

CARES Act Funding Application:

The University of Vermont fully recognizes the disruption that has been caused to students and their families due to COVID-19. Federal funds have been made available through the CARES Act for distribution of emergency grants by institutions of higher education in order to help minimize the financial impact to our students. [Please follow this hyperlink for eligibility information and the application link.](#)

The application is subject to close again at any time, based on funding. It will behoove students to apply ASAP.

If you have questions please contact MedSFS@uvm.edu.
