

Parking Passes for Clerkship students—

Please note that if you fall into one of these categories, UVM will pay for a parking pass in the Commuter Yellow Lot for you during your time on UVM's campus.

- The permits for these time periods are issued at no cost to the student. You can either visit the Transportation and Parking Services Office and fill out an application or [complete the online form](#).
- While completing this on-line application, you will have an option to have your permit mailed to your Given number. This option requires some advance planning as it must go through campus mail. If you wait until just before you require parking, then *you will need to stop by the Transportation and Parking Services Office in order to pick up your parking permit.*
- Besides the time period you wish to park at no cost to you, you may also indicate further parking needs which will be at your cost. Unfortunately, this form does not process payment, but you may pay for the additional needed time over the phone with a card or send us a check. This is also handy to request the permit need and make payment while picking up the permit from our office.
- Office hours are Monday-Friday 7:30 a.m. to 4:00 p.m., and they are located at 38 Fletcher Place in Trinity Campus.
 - **All students at UVM orientation** - approved for 1 week of parking during orientation
 - **All students returning from away sites for Bridge** - approved for 1 week of parking while Bridge is taking place.
 - **All students returning from an away site** - approved for 2-day parking, for the days of their exams.
 - **All students departing for an away site** - approved for 2 days of parking while the 2-day orientation is taking place.
 - **Family Medicine Students**—approved for parking for 1st week of rotation while orientation is taking place.

Please email [Summer Griffin](#) with any other questions!

Thanks!

The Clerkship Team
