

Welcome to The Robert Larner M.D. College of Medicine at The University of Vermont!

As a member of the Larner College of Medicine you are joining a network with over **4,750 alumni** who are invested in you and are here to support you. Alumni participate on the admissions committee, offer mentorship opportunities, give lectures on campus, and so much more.

Larner College of Medicine alumni are also extremely generous in their financial support of current students. Each year, between 20% and 30% of our alumni give to the College. This historically has put the College in the top 10 among all medical schools nationally for alumni participation. You will find alumni names on classrooms, lockers, and scholarships, reflecting the College's tradition of philanthropy and the alumni commitment to your education and this great medical school. Alumni involvement at the College is a time honored tradition and an incredible strength of this community.

To ensure that we are able to contact you regarding events, lectures and activities sponsored by the Medical Alumni Association, send you a copy of **Vermont Medicine**, the College's alumni magazine, and supply you with access to the directory, please take time to complete our online confidential biographic form found online here: [Class of 2023 contact information form](#). **Fill it out and receive the window decal below at Orientation!** We also invite you to include your family's contact information on this form so that we may send them a copy of **Vermont Medicine**, include them in our alumni e-newsletter mailing, and invite them to events- a great way for family near and far to keep up on all the happenings at the College.

After you've filled out the contact info form, be sure to stop by the alumni table at the resource fair during Orientation on **Friday, August 16th** to say hello and pick up your **free Larner College of Medicine swag!** We look forward to meeting you. You can also come by our office anytime - we are located in the Given Courtyard, Three North (on the third floor of the Courtyard to the right of the central staircase).

Welcome to the UVM Larner College of Medicine family!

Best regards,
