

Hello Class of 2021!

The time to start uploading transcripts to ERAS is approaching! The goal is to have transcripts uploaded by **10/21** when the MSPEs are released and programs start downloading applications.

In order for me to upload your transcript you will need to request a copy from the UVM Registrar's Office: Log into myUVM (top right hand corner on www.uvm.edu), locate Registrar link and request an official transcript.

1. In the "issued to" field enter ERAS c/o AAMC (please don't have them issued to Emma)
2. In the "send to email address" field enter Emma.Faustner@med.uvm.edu

Only the med school transcript will be uploaded. If you did undergrad/graduate/continuing ed at UVM those pages will be removed.

Transcripts in ERAS do not get automatically updated as new grades come in. If a new grade posts and you want it included on your ERAS transcript you will request a new one in the same way and I will replace it in ERAS. The request and uploading process is pretty quick so if you are expecting grades that haven't posted yet you can safely wait a couple of weeks before submitting your request.

Best,
