Posting Title	Class Gift in honor of Collins Oguejiofor
Event Date	Now, through graduation
Summary	Please consider contributing to the class of 2022 class gift toward the Collins Oguejiofor Diversity Scholarship
Additional Information	<p>For many years, the traditional fourth-year class gift has served as the first-time graduates make contributions to the Larner College of Medicine community as alumni. We invite you to contribute to this year's very special 2022 class gift as we make the transition from student to alumni.</p> <p>Your family and friends can also make gifts in your honor, and they will also count toward our goal.</p> <p>This year we have chosen a special place to direct our gifts -- the Collins Oguejiofor Diversity Scholarship. If we each contribute a gift of \$20.22 or more, in memory of our classmate, we can reach our goal of \$2,500. This gift will not only be a meaningful contribution to the Scholarship Fund, created by Collins' family to support students who come from a historically underrepresented or underserved group, but it will allow us to dedicate a locker in memory of our classmate. The Larner College of Medicine will install a plaque with his name on a locker in memory of Collins and indicating it is a gift from the Class of 2022.</p> <p>This is such a wonderful way for our entire class to have a lasting legacy at Larner College of Medicine, both in name and in scholarship. While it will take about \$20 each to reach our goal, we encourage you to give as you are able: a gift of \$5 or \$10 is also a meaningful contribution towards our goal. Please use the link below to make your donation.</p> <p>Thank you for helping us as we honor our classmate, and as we help support the students who will come after us.</p> <p>Your class agents, Patrick Clarke Alim Esemenli Luke Higgins</p>
