Importance: High

Hello Members of the Class of 2022,

If you received an email like the one below, this was not sent from our office and you are not expected to complete this training. You completed this training as part of your pre-matriculation requirements.

We are working with undergraduate information systems and technology to address this issue in a timely fashion and apologize for any confusion/inconvenience. Thank you so much to those of you who reached out to me to alert me of the repeat request.

All my best,
Kiersten

Kiersten Hallquist, M.Ed.

You Have a New Assignment

University of Vermont needs you to train

Log In

Hello [NAME REDACTED],

At University of Vermont, we believe in the importance of creating a safe and healthy environment for all of our community members. To that end, we have partnered with EVERFI to provide trainings that will help us all be informed on topics vital to achieving our goal. These trainings, in addition to being highly interactive and engaging, are based in research around the best practices for healthy communities. As you complete your training, we invite you to reach out to the many referenced resources in order to join the larger discussion of these topics on our campus.

Completion of your EVERFI courses is required for all students of University of Vermont. If you have difficulty logging in, check out the technical info at the bottom of this page.

Please ensure that you have completed the course by Friday Aug 23, 2019.

Thank you for your participation, and for helping us to build the best campus that we can.

Sincerely,

University of Vermont

Technical Info:

- Work at your own pace from any computer or tablet
- Courses will save your progress if you need to stop and return later
- Courses are best supported by the latest versions of Chrome, Firefox, and Safari (preferred), or Microsoft Internet Explorer 11+
- If you have any accessibility issues, please select “accessibility mode” once you are in the course
- Need more help? Contact EVERFI’s 24/7 tech support using “Help” within the course or by visiting support.everfi.com
