Title	Transcripts for ERAS
Summary	Do you need a transcript uploaded to ERAS?
Additional Information	<p>You will need to request a copy of your transcript from the UVM Registrar's Office:</p> <p>Log into myUVM (top right hand corner on <a href="http://www.uvm.edu">www.uvm.edu</a>), and locate Registrar link and request an official transcript.</p> <ol style="list-style-type: none"> <li>1. In the "issued to" field enter ERAS c/o AAMC (please don't have them issued to Emma)</li> <li>2. In the "send to email address" field enter <a href="mailto:Emma.Faustner@med.uvm.edu">Emma.Faustner@med.uvm.edu</a></li> </ol> <ul style="list-style-type: none"> <li>• Only the med school transcript will be uploaded. If you did undergrad/graduate/continuing ed at UVM those pages will be removed.</li> <li>• Transcripts in ERAS do not get automatically updated as new grades come in. If a new grade posts and you want it included on your ERAS transcript you will request a new one in the same way and I will replace it in ERAS.</li> </ul> <p>The request and uploading process is pretty quick so if you are expecting grades that haven't posted yet you can safely wait a week or 2 before submitting your request.</p> <p>Please note that when a grade posts in OASIS there can be a 24-48 hour lag before it posts to your transcript.</p>
