Hello, Class of 2023,

Following the completion of your last clerkship rotation you are expected to complete the End of Clerkship Clinical Skills Examination (EOC CSE). This 12-station CSE is a graduation requirement ([Policy 540.40 Grading: Clerkships](#)).

Eligibility: To be eligible to register for the EOC CSE offered in Spring 2022, students must be scheduled to complete their last clerkship rotation and all clerkship requirements by 3/25/2022.

For students completing their clerkship requirements after that date, we expect to offer alternative dates, yet to be determined, though likely early in 2023. And, if needed, students in the class of 2023 may take the EOC CSE in Spring 2023 with the class of 2024.

The EOC CSE is being offered on the following dates:

Saturday, April 2, 2022  
Sunday, April 3, 2022  
Saturday, April 9, 2022  
Sunday, April 10, 2022  
Saturday, April 16, 2022  
Sunday, April 17, 2022  
Saturday, April 23, 2022  
Sunday, April 24, 2022  
Saturday, May 7, 2022  
Sunday, May 8, 2022

IMPORTANT: The above dates are the only dates planned at this time. Some students signed up for dates that were accidentally rolled over from last year. Those students have been notified via email and must change their date in OASIS.

The CSE runs for one full day (with breaks). All of the information – how to prepare, what to expect, and how you will be assessed – is in process and will be emailed to the class by February 15, 2022.
