Subject: SEG Reps for Clerkships

Hello fellow co2023,

We're looking forward to this next step in our education with you all! Similar to our preclinical courses, each clerkship rotation has an assigned SEG representative, as listed below. Any feedback you have can be directed to this representative regardless of your clerkship location (VT, CT, etc). However, please feel welcome to reach out to any of us if you have thoughts, concerns, ideas, or anything else regarding your experiences during clinical rotations.

Will Brown: Psychiatry, Family Medicine

Delaney Sztraicher: Surgery, Emergency Medicine

Raj Aurora: Internal Medicine, Neurology/Outpatient, LIC

Anna Chamby: ObGyn, Pediatrics

Best,

Anna, Raj, Will, and Delaney
