Subject: Moving to the CT Campus - Mail Forwarding
Date: Thursday, January 27, 2022 3:42:48 PM

Hello Class of 2024 CT Students!

I was unable to attend your meeting with the CT Campus leadership on Monday, so I apologize if this information is redundant.

It is that time of year when we are starting to get a lot of questions about having mail forwarded from your Given mailbox at the Burlington campus to your new address CT. In your Academic History in Oasis, there is a 'Clinical Rotations' tab where you will find a section called 'Connecticut Branch Campus'. There you will find [detailed instructions](#) for updating your mailing address with the Given mailroom and the US Postal Service. We realize many of you may not have your CT addresses yet, but please be sure to make this change once you have secured your new housing and know your move-in date.

Feel free to reach out if you have any questions.

Thanks!
Audree
