

Target Audience	M1s/co2025 Only
Posting Title	Sexual Health Teaching Opportunity
Summary	Gauging M1 interest in teaching inclusive, destigmatizing sexual health to middle school students during second year HDRH course
Additional Information	<p>We are going to be partnering with a local middle school to have medical students visit the classroom to teach sexual education.</p> <p>If you are interested in participating, you will need to complete a 1-2 hour training and then go to the school one or more times during your Human Development and Reproductive Health (HDRH) course to teach.</p> <p>We are looking for people of all levels of experience and comfort with sexual health, so don't worry if you've never taught or even learned about sexual health!</p> <p>We are also cognizant that you are answering these questions at the end of FoCS and may not know what your life will be like in a year - please just answer as best you can.</p> <p>Please let us know you are interested by completing this brief form...</p>
