

Dear Class of 2025,

The Office of Medical Education has reserved some quiet study space for our M2s, during the dedicated Step 1 Study Period (Jan 28-March 12): [Reserved Step-1 study Rooms Schedule Here](#)

Please note, in addition to these reserved spaces, students may explore the availability of the following if/when seeking alternative quiet space to prepare for Step 1 on campus:

- [Larner Study Spaces](#) (unless reserved via OME, rooms cannot be reserved for study space; however, students can explore if rooms are available by pulling up their calendars in outlook and then setting up in the space if/when the space is not pre-reserved by another program/department)
- [Dana Medical Library Study Spaces](#)
- [UVM Howe Library Study Spaces](#) (has online booking!)

If you have any questions, please feel to [reach out to the Larner Medical Student Services Team](#).
