

Target Audience	M1s/co2024, M3s/co2023
Title	EM Research Assistant Summer Opportunity
Application Deadline	Rolling until fully enrolled
Summary	Come be involved in clinical research in the ED this summer!
Additional Information	<p>We have recently received approval for a summer EM research assistant experience that will involve screening, consenting and data gathering in the UVMHC ED for ongoing clinical research projects.</p> <p>Responsibilities and additional details:</p> <ul style="list-style-type: none"> <li>• Will require a university research orientation as well as an orientation to the ED and the research program during week 1 (increased time commitment)</li> <li>• Minimum of two, 4-hour shifts in the ED per week June 21 - August 13 (firm commitment)</li> <li>• Primary job is research but if there are no patients to enroll during your shifts and a teaching opportunity presents itself, you can jump in and check out the clinical side of ED.</li> </ul> <p>This is an unpaid program with no guarantee for a publication BUT it will allow clinical exposure, research experience and the possibility of getting involved in future EM related projects.</p> <p>Please <a href="#">email Dr. Dolbec if you would like to participate</a>. Interested students will be accepted on a 1st come, 1st serve basis up to a maximum of 17 students.</p> <p>Please reach out to <a href="#">Katie Dolbec, EM Course Director</a>, if you are interested or have any additional questions.</p>
