Subject: LCOM – Given Lot Water Town Construction Notice

Dear LCOM Community,

Attached is a construction notice for a City of Burlington Public Works Department project to wrap up renovations/upgrades to the water tower located in the Given parking lot. This final phase work will involve safety upgrades, installation of a containment system, sandblasting, and painting. The work is anticipated conclude by mid-October 2020.

Regards,

Eric

CONSTRUCTION NOTICE

Given Water Tower Painting

July through October 2020

Description of Work:

The City of Burlington Department of Public works is completing the work started in the fall of 2019 with painting of the water tower in the Given Parking Lot. The work will involve providing a containment area for painting preparation, this will create a loss of about 12 parking spaces, followed by painting the exterior of the water tower. The duration of the project is intended to be from the end of July through mid-October 2020.

Some localized construction noise and activity impacts will occur and these will be managed as best they can by the contractor.

Areas and Buildings Affected:

- Given Water Tower Parking Lot

Construction Questions: UVM Planning, Design and Construction (802) 656-3291
