Family Medicine Grand Rounds
Presented by: The University of Vermont Medical Center, Family Medicine
University of Vermont, College of Medicine
8:00 – 9:00 AM  Davis Auditorium

Monday February 3, 2020  Workshop # 20-101-19
* “Who is in Control Here? Contraceptive Coercion and Reproductive Justice”
Dr. Kristyn Brandi (she/her/hers) is an Assistant Professor at Rutgers - New Jersey Medical School, where she completed her medical school and residency. She completed a Family Planning Fellowship at Boston University where she also earned her Master’s in Public Health with a concentration in Health Law, Bioethics and Human Rights. Her research is on reproductive decision making, contraceptive coercion, and racism in reproductive health care. She serves as the Board Chair of Physicians for Reproductive Health, sits on several sub-committees for the Society of Family Planning and is a founding member of Centering Equity, Racial and Cultural Literacy in Family Planning (CERCL-FP).

Monday February 10, 2020  Laura Mann Integrative Healthcare Lecture Series
Workshop #20-101-20
* “Microbiome and Influences on Human Health”
John Bagnulo, MPH, PhD is a naturalist and nutritionist, a farmer and forager, and an assistant professor. John Bagnulo has worked as a nutritionist for the past 22 years. He has also worked as an assistant professor and faculty member at universities and several non-profit organizations. He has led courses and given countless lectures on human metabolism, food and ecology, food and culture, nutrition and disease, and nutrition and cooking, among others. John has helped hundreds of patients reverse chronic diseases through a diet of whole foods. John holds a Masters of Public Health from the University of North Carolina and a Doctorate from the University of Maine. One of the foremost experts on food and health, John’s lectures and discussions place food at the center of a web that stretches from human physiology to our fields and from our ancestors to our kitchens. His talks and or lectures are sure to enlighten and entertain even the most well read and informed on the topic of nutrition and health.

Monday February 17, 2020  No Family Medicine Grand Rounds – President’s Day

Monday, February 24, 2020  Workshop # 20-101-21
“Morbidity and Mortality Conference”
Julia Marsala, MD
Family Medicine Resident, Department of Family Medicine
University of Vermont Larner, College of Medicine
Charles Schmitt, MD, Director of Morbidity and Mortality Rounds

- This conference is limited to medical staff, resident physicians and medical students at the University of Vermont Medical Center / Larner College of Medicine, and invitees of the conference leaders.
- The discussion and materials included in this conference are confidential and privileged pursuant to 26VSA Section 1441-1443. This material is intended for use in internal quality control for the purpose of reducing morbidity and mortality and improving patient care.
- Free and confidential services – including critical incident response debriefing, counseling, and referral – are available through the Employee Family Assistance Program (EFAP, 847-2827)

In support of improving patient care, The Robert Larner College of Medicine at The University of Vermont is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

AMA: The University of Vermont designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*Available by Telemedicine
