Summative Statement/"Hook Sentence"	Feeding Chittenden is looking for volunteers to assist with their food insecurity programs here in Burlington.
Additional Information	Due to the greater effects of covid-19 on Vermont, the Feeding Chittenden food shelf has recently seen a decrease in volunteer workers while the need for food within the community increases. They are currently looking for individuals willing to spend a few hours a week working with either their breakfast program or food distribution. If anyone is interested in helping out please apply to be a volunteer through the website . Also, feel free to contact me if you have any questions about volunteering with the food shelf.
