| Target Audience | All students |
| Posting Title | GMM Podcast Episode 12 |
| Summary | Green Mountain Medicine's 12th episode: SGLT2 Inhibitors - A Cardiac and Renal Perspective, is now online! |
| Additional Information | In this episode , we are joined by Internal Medicine PGY-3s and soon-to-be fellows Dr. Carrie Mahurin and Dr. Jen Bergeron. Together, they review the evidence for or against a broadened therapeutic role of SGLT2 Inhibitors beyond diabetes treatment, in light of new trials suggesting efficacy in heart failure and chronic kidney disease management. Listen on Podbean, Apple Podcasts, or Spotify. |
