Improving Health and Health Care Worldwide

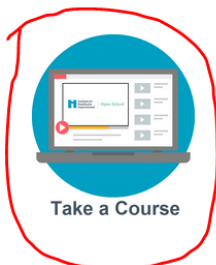

SEARCH

Step 2: Access and Complete the Assigned Modules

The screenshot shows the Institute for Healthcare Improvement website. The logo is on the top left, and the tagline "Improving Health and Health Care Worldwide" is on the top right. A search bar is located in the top right corner. The navigation menu includes: ABOUT US, TOPICS, EDUCATION, RESOURCES, REGIONS, and ENGAGE WITH IHI. The EDUCATION menu is expanded, showing options like Education Overview, IHI Forum, IHI Primary Care Summit, IHI Patient Safety Congress, Conferences, In-Person Training, Virtual Training, Certified Professional in Patient Safety (CPPS), and IHI Open School (circled in red). The IHI Open School link is also highlighted in the main content area. Below the navigation menu, there is a banner for "Hospital Preparedness for a COVID-19 Surge: Assessment Tool" and a section for "IHI OPEN SCHOOL" with a "TRAINING" button.

Ready to start improving?

With dozens of online courses and hundreds of local Chapters around the world, the IHI Open School is here to support you and your team in providing the best possible care.

PS 101: Introduction to Patient Safety*

No one embarks on a health care career intending to harm patients. But much too often, patients die or suffer injuries because of their experiences within the health care system. In this course, you'll learn why becoming a student of patient safety is critical for everyone involved in health care today, and you will learn a framework for building safer, more reliable systems of care.

**This course is required for the Basic Certificate in Quality and Safety.*

Be Part of the Solution

Improving patient safety will take a host of health professionals making changes to improve the systems in which they work. Consider taking a leadership role and joining us at IHI's [National Forum on Quality Improvement in Health Care](#). Special programming and discounts are available for students, faculty, and residents.

The estimated time to complete this course is 1 hour 15 minutes.
