Role: Principal Investigator

Funding Period: 11/2017 - 04/2018

Awards and Honors

American Psychological Association: Division 28 Outstanding Dissertation Award 2020
Awarded annually for the best doctoral dissertation in psychopharmacology and substance abuse.

College on Problems of Drug Dependence Early Career Investigator Travel Award 2020
Awarded for presentation of original research at the College on Problems of Drug Dependence conference.

University of Vermont Graduate College Outstanding Dissertation Award 2020
Recognizes exceptional work on behalf of a doctoral student, as demonstrated by their dissertation, including significant contributions to their field of study.

Dean's Excellence in Research Award: First Prize 2019
University of Vermont Larner College of Medicine
Awarded the research showcase best postdoctoral research presentation: *Who remits from opioid use disorder without treatment? Findings from a nationally representative US survey.*

Yale Doctoral Internship in Clinical & Community Psychology Travel Award 2018
Awarded for professional development and travel to present research at the 6th Annual Vermont Center on Behavior & Health Conference.

University of Vermont Most Innovative Research Award 2017
Awarded yearly to a single graduate student whose research is the most unique, progressive, and exemplary of the cutting-edge research being completed at the University of Vermont.

National Institute on Drug Abuse (NIDA) Director's Award 2017
Awarded for travel to the College on Problems of Drug Dependence (CPDD) conference for presentation of original research and participation in a Grant Writing and Career Development Workshop.

Clinical Science Training Award 2016
Awarded by the Behavior Therapy & Psychotherapy Center for exceptional clinical psychology trainees to attend an Acceptance & Commitment Therapy (ACT) training with Steven Hayes, Ph.D.
