Posting Title	Caregiver Desired for Infant with Developmental Delays
Summary	Caregiver/Nanny Desired for 4-month-old Infant with Developmental Delays
Additional Information	<p>We are looking for a part or full-time caregiver/nanny for our 4-month-old infant with developmental delays in Hinesburg.</p> <p>We are particularly interested in help at night soothing our infant (8–12-hour shifts, but hours are flexible). We have a 5-year-old son who loves art and Legos, and a 7-year-old lab/boxer.</p> <p>Private room is available.</p> <p>Mother is a nurse who is home full-time, and father is a professor at UVM and working remotely full-time from home.</p> <p>Caregiver should be CPR certified and fully vaccinated.</p> <p>If interested, please contact <a href="mailto:bingham.erin@gmail.com">bingham.erin@gmail.com</a> with your information.</p>
