We are pleased to announce that the **Friday, May 15th, 2020**
Vermont CardioVascular Medicine Conference will be presented by
Neil Zakai, MD, MSc

Vermont CardioVascular Medicine Conference

An Interdisciplinary Conference devoted to

Hemostasis, Thrombosis, and Cardiovascular Medicine

Date: Friday, May 15, 2020

Time: 9:15 – 10:15 AM

Place: **ZOOM MEETING** <https://us02web.zoom.us/j/85032036477>

Speaker: Neil Zakai, M.D., M.Sc.

Title: Highlights of ASH: Venous Thromboembolism and Anticoagulation

This conference is devoted to disseminating information on diverse topics related to cardiovascular medicine, including clinical and research topics. The goal is to promote collaboration and interchange across disciplines at all levels; from students to professors, and to cover information of use to anyone conducting research or caring for patients with cardiovascular diseases. Presentations are fairly casual, allowing ample discussion, and are accompanied by a light breakfast. If you would like to present or would like to nominate a speaker, please contact Dr. Cushman

All are welcome

Agile Leadership & Team Building
