Dates	11/1/21-11/12/21 and 4/5/22-4/15/22
Summary	AHEC Scholars-Eligible Activity - Limited Seats Remaining!
Additional Information	<p>Sent on behalf of Liz Cote and Drs. Riser, Sobel, and MacLean</p> <p>To: LCOM Class of 2022 students enrolled in the AHEC Scholars Program</p> <p>4th Year Elective Course Addiction Medicine (Med 2560): AHEC Scholars-eligible activity Join the first Addiction Medicine elective course at LCOM.</p> <p>This 2-week elective is sponsored by AHEC and part of the AHEC Scholars Program. It will be 80% didactics, reading and films, and 20% clinical time. Learn about evidence-based care for people with substance use disorders. Meet community leaders in public health and addiction medicine. See patients in Vermont's hub and spoke opioid treatment clinics.</p> <p>The elective will be offered twice from 11/1/21-11/12/21 and again from 4/5/22-4/15/22. There are only 2 seats left for November and 3 seats remaining for April. Enrollment is on a first-come, first-served basis.</p> <p>This is an exciting, interactive opportunity to hone your skills in addiction medicine and gain experience in the use of medications for opioid use disorder. This elective is relevant to any specialty and future practice and is a last opportunity to meet outstanding AHEC Scholars requirements prior to graduation. To sign up: via OASIS (Med 2560)</p> <p>Contact: <a href="mailto:elly.riser@uvmhealth.org">elly.riser@uvmhealth.org</a>  Course faculty: Elly Riser MD, Halle Sobel MD, Charles D. MacLean MD</p>
