Hello Lovely Medical Students,

Firstly, thank you so much for your ongoing support and example to our community on how to protect our public health and take care of each other in these super challenging and risky times. You all continue to support the following, not only with understanding, but often with a smile and a reinforcing statement:

- Ongoing **adherence to the [UVM COVID-19 Student Testing Protocol](#)** (such patience and understanding as we fully rolled this out as members of the UVM student community)
- **Maintaining physical distancing** wherever we can – **6 feet apart** when wearing a mask and **10 feet apart** if/when you need to remove your mask (I've seen you all doing this so well! Thank you!)
- And **wearing your masks at all times**, except when eating and drinking

SPEAKING OF MASKS...

- UVM has generously provided all students with **2 white masks and 1 charcoal mask**. Many of you have already claimed these, however, if you did not receive your set, please swing by the Given Courtyard N100 collaborative space to claim your free reusable masks.

- **Be "ON BRAND" – 2 FREE UVM Branded Reusable Masks:** We also just received UVM BRANDED masks – two kinds! For ALL UVM Larner Medical Students! We placed one of each kind in your Given Boxes to claim at your convenience (you can [find your Given Box number and combination/access instructions in OASIS, under the Student Resources tab, in your academic history](#)).
- We are also working with our amazing Clerkship Coordinator, Jacqueline Drouin, to ensure these swanky new on-brand masks, also land with our incredible CT-campus students, so they can represent in our CT-campus communities, as well!

Please do not hesitate to contact me with any questions. Keep staying safe “out there.”

Kind regards and so much appreciation,
Kiersten
