“Talking to RAs, mentors, and professionals makes me feel like I'm on the right track and more confident that I can achieve my goals.”

“I think that Emergency Medicine is super important for everyone to know even if they don't go into the medical field.
I LOVED IT.”

“I know now that I'm very interested in being a respiratory therapist, a nurse, or a doctor.”

“Practicing medical specific skills helped me realize my capability for things I thought would be too much for me”.
