

1. Either clear your browser cache or open a Private/Incognito Window:
 - a. Chrome: Ctrl+Shift+N
 - b. Firefox, Edge and InternetExplorer: Ctrl+Shift+P
2. Navigate to <https://uvm.oasisscheduling.com>.
3. On the screen below, click on Web Service:

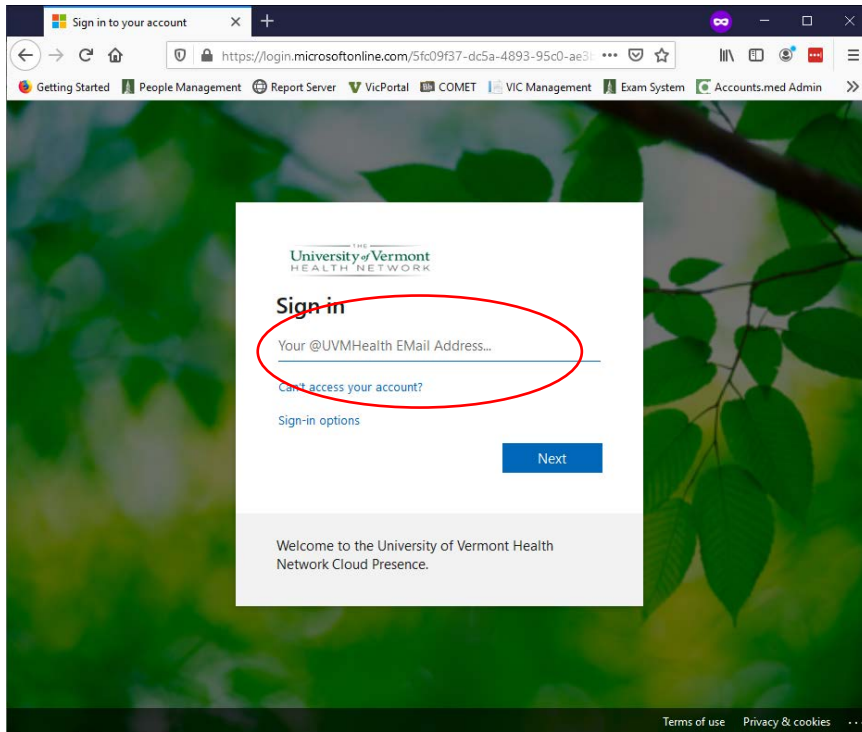

These are educational records and are covered by the provisions of FERPA.
Grades that appear in OASIS are considered unofficial.
A final grade is deemed official once entered by the UVM Registrar's Office in RANNE

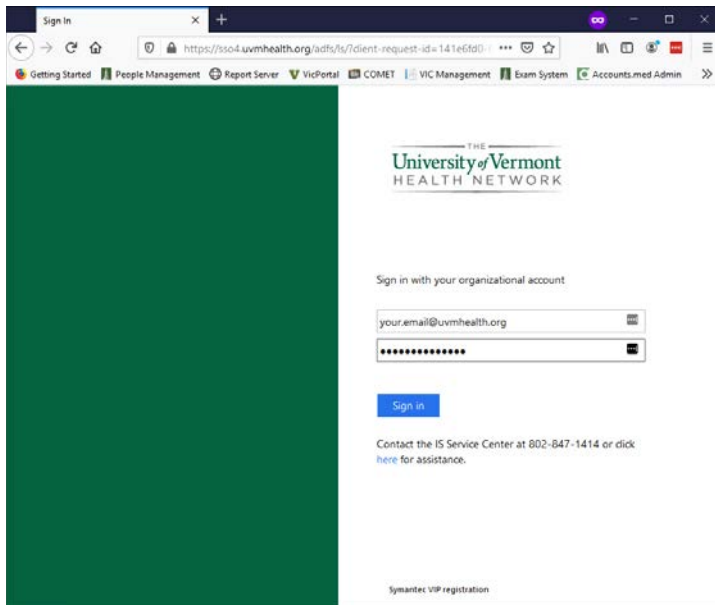

4. For UVMCC users, on this screen, you should select the bottom option, UVM Medical Center (Microsoft Auth), to use the hospital's new multi-factor authentication method (MFA). If you have not yet signed up for that at the hospital, please contact the UVMCC Help desk at 847-1414 as soon as possible. The other option, UVM Medical Center (Legacy) may continue to work using the old MFA method, Symantec VIP, but is not guaranteed to after Tuesday, June 2.

5. On this screen enter your uvmhealth.org email address and click the Next button:

On this screen, your email address should be prepopulated. Enter your password and click the Sign In button.

6. You should see this page and receive a request on your mobile phone (or whatever device you set up to use Microsoft Authenticator) to Approve the sign in request. Once you approve it on your device, this page will disappear and you will be taken to the OASIS home page.
