**Subject:** Claiming CMIE Credit for Viewing Virtual and Recorded Pediatric Grand Rounds Sessions

Good afternoon- The Department of Pediatrics has become newly approved by UVM to award CMIE (Continuing Medical and Interprofessional Education) credit for viewing virtual and recorded Pediatric Grand Rounds sessions. In order to do so via UVM's HighMarks system (link below), you must take a three-question multiple choice pre-test, view the recording and then take the post-test, which allows you to then claim CMIE credit. I've attached directions for you.

- This will work for all UVM Health Network employees logging into HighMarks using their hospital email addresses.
- If you would like to sign up for a HighMarks account, please let me know and I'll send you directions.
- If you are not a UVM Health Network employee and would like a copy of a recording, please contact me and I'll arrange to send it to you.
- If you view the virtual session live via Zoom, you claim credit in HighMarks by scanning the QR code on your smartphone or by clicking on the link on your Grand Rounds schedule as usual.

<https://www.highmarksce.com/uvmmed/>

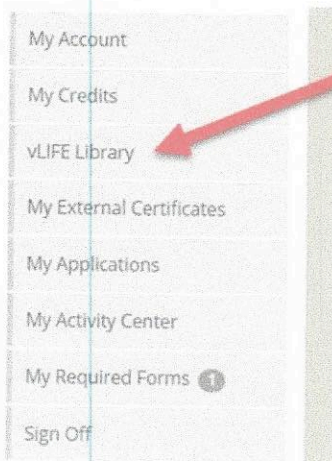

Please note that it will take some time for the recording and pre/post-tests to be uploaded to HighMarks, but you should be able to log in later that same day or the following day to view the recording.

*Take Care, Penny*

Department Assistant  
Department of Pediatrics  
Larner College of Medicine  
89 Beaumont Avenue  
Given CY S259  
Burlington, VT 05045  
Phone- 802-324-2832  
Fax- 802 656-2077

UVM Health Network will be able to view recorded grand rounds videos in [MyCredits](#) if they login with their hospital email.

1. When a person logs in they will find the vLIFE Library in the right hand toolbar. That is where learners will need to go to view the recordings.

2. Click on "Find Online Courses".
