Subject: Weekly Wire Submission: Interventional Radiology course can fulfill elective requirement for Surgery
Date: Thursday, September 5, 2019 9:02:36 AM

Please include this announcement in the next issue of the Weekly Wire:

Class of 2020

New Elective Opportunity! Interventional Radiology (RAD7520) can fulfill Surgery sub-specialty requirement

The Interventional Radiology 2-week elective (RAD-7520) may be used to fulfill the Surgery sub-specialty requirement (SURG-9550). This elective provides the student with the opportunity to observe and learn what interventional radiology can do. This elective is appropriate for the student who is interested in a field outside of Surgery or Interventional Radiology.

See the Course Catalog in OASIS for a full course description, objectives, learning activities and more.

Thank you!
