

**MMG Undergraduate Research Form**

Non-HCOL student \_\_\_\_\_ HCOL student \_\_\_\_\_

Semesters in Lab	Course	Credit Hours (1 cr. hr. = 3-4 hr./week in lab)
1 <sup>st</sup> semester	MMG1995	
Intermediate level	MMG2995	
Advanced level	MMG3995	

Project Title \_\_\_\_\_

Student Investigator \_\_\_\_\_ Net ID \_\_\_\_\_

E-mail \_\_\_\_\_

Research Mentor \_\_\_\_\_ Department \_\_\_\_\_

E-mail \_\_\_\_\_

The **Research Mentor** is expected to make clear to the student what the expectations are prior to initiating the project. These include:

- the project and its scope
- the time commitment associated with the project and course credits
- the student's research paper or poster and oral presentation
- the grading for the course (see attached course syllabi)

UVM Lab Safety Training Courses must be completed and verified by the Research Mentor (<https://www.uvm.edu/riskmanagement/train-and-inform-lab-personnel>). Additional lab-specific safety courses may be required by the research mentor.

**SIGNATURES:**

Student \_\_\_\_\_

Research Mentor \_\_\_\_\_

This form must be emailed to the Undergraduate Research Coordinator before a registration override can be given into course. Variable credit is determined at the time of registration.
