1 st semester	MMG1995	
Intermediate level	MMG2995	
Advanced level	MMG3995	

Project Title _____

Student Investigator _____ Net ID _____

E-mail _____

Research Mentor _____ Department _____

E-mail _____

The **Research Mentor** is expected to make clear to the student what the expectations are prior to initiating the project. These include:

- the project and its scope
- the time commitment associated with the project and course credits
- the student's research paper or poster and oral presentation
- the grading for the course (see attached course syllabi)

UVM Lab Safety Training Courses must be completed and verified by the Research Mentor (<https://www.uvm.edu/riskmanagement/train-and-inform-lab-personnel>). Additional lab-specific safety courses may be required by the research mentor.
