

CLERKSHIP AND ADVANCED INTEGRATION ACCOMMODATIONS *(updated 6/22/20)*

INFORMATION ON EXAM ACCOMMODATIONS:

- Complete the [Getting Started with SAS](#) online intake form if you are interested in determining eligibility for ADA accommodations.
- Contact Student Accessibility Services at access@uvm.edu, or call 802-656-7753 to schedule a meeting with an Accessibility Specialist as soon as possible.

ACCOMMODATION IMPLEMENTATION:

Once eligibility has been determined and accommodations identified, a formal accommodation letter will be sent by the SAS Accessibility Specialist to the student. The student should send the accommodation letter, via email, to individuals listed below:

For Clerkship Exam Accommodations

- Students approved for Clerkship shelf exam accommodations will email their letter to Timothy.M.Moynihan@med.uvm.edu

For Clinical Skills Exam Accommodations and/or Simulation Lab:

- Students should provide the accommodation letter to the appropriate person (see below) at least 10 days prior to beginning their rotation schedule and *no later than the first day of the rotation*. Subsequent accommodation letters for upcoming rotations should also be provided to the appropriate person (see below) 10 days prior to the start of their rotation.

UVMMC:

- Shirley.McAdam@uvm.edu

WCHN Branch Campus SIMS/CSE'S:

- Jackie Sidle jackie.sidle@wchn.org
Spratt Center for Simulation and Clinical Learning at Danbury Hospital

For Accommodations Implemented Within the Clinic:

- The accommodation letter should be emailed to Timothy Moynihan, Director of Academic Achievement, as soon as the student knows their rotation schedule. Details for implementation need to be discussed in advance of the clinical rotation.

Students should also copy appropriate level directors:

- Elise.Everett@med.uvm.edu for Clerkships
- Advanced Integration Level Director TBD

For Clerkship Site Exemption:

- Students should complete the Clerkship Exemption form. If approved, students will provide letters to Jacqueline Drouin (Jacqueline.drouin@med.uvm.edu) and Summer Griffin (OMSE, summer.griffin@med.uvm.edu)

***Accommodations in the clinical setting are determined separately from those in the foundations level**
