# Essentials of Teaching and Assessment

**Thursday, September 17 & Friday, September 18, 2020**

This course will be offered online via Zoom for approximately two half-days (afternoon of 9/17 and morning of 9/18).

A two-day, intensive course to introduce participants to the pedagogy, strategies, and resources for effective teaching and assessment, including in the virtual environment. This event is open to all UVM College of Medicine faculty. This course is designed especially for faculty, residents, fellows, graduate students, and postdocs who are new to teaching.

**This event is open to all UVM Larner College of Medicine faculty.**

# Medical Education Grand Rounds

## Debunking Neuromyths

A range of interventions are promoted to help the 10-20% of the population who struggle with dyslexia. However, claims made by many interventions about their mechanisms to remediate dyslexia are dubious. This workshop will delve into several common neuromyths, including VAK Learning Styles, vision therapy, and dyslexia fonts.

### **Peggy Price, M.Ed., Fellow/OGA**

Director of the Orton-Gillingham  
at the Institute Stern Center for Language and Learning

Friday, September 25, 2020 • 12:00 - 1:00 PM

Via Zoom
