LARNER COLLEGE OF MEDICINE
MEDICAL STUDENT COUNCIL

Student Council Welcomes the Class of 2024

Congrats on successfully completing Orientation and your first week of FoCS! It is such an accomplishment to be starting medical school, and in the middle of a pandemic no less! We are so thrilled to have you joining us and hope you are feeling welcomed in your new community. We also wanted to reach out to give you some more information about Student Council, encourage you to run in the election to represent your class, and invite you to our first meeting of the year which will be held on Wednesday, September 2nd at 5:00 pm (Zoom link to follow). We would love to see you there! Please do not hesitate to reach out if you have any questions.

What is Student Council?

The Student Council serves as the official student governance body and represents all medical students enrolled at UVM Larner Med. The Council serves as a liaison between all medical students, administrative offices, and other non-medical UVM student organizations. Duties include, but are not limited to, management of the class budgets, oversight of Student Interest Groups and Student Leadership Groups, and promotion of student camaraderie & community outreach through class and schoolwide social events, fundraisers, community service, and more.

Come meet us at our Lunch & Learn session on Tuesday, September 1st from 12-1:00pm over Zoom.

Best,
UVM Larner Med Student Council
