Hi SCS! Wanted to give you this information that Dean Zehle asked me to get regarding parking for our commuter students (1st and 2nd years):

Hi Colleen,

1 & 2 year medical student are considered a "Student Commuter" as they live off-campus. Commuter permits are readily available for purchase now and throughout the '20-21 academic year. Parking is in Gutterson Garage. Which (typically) has ample space available for parking.

This is taken from our website (under student parking) regarding...

[2020-2021 Commuter Student Parking Permit Information](#)

There are three types of student commuter permits: the [Commuter Brown permit](#), the [Commuter Evening permit](#) and the [Commuter Yellow permit](#). (Commuter yellow is for 3M & 4M only!)

The Commuter Brown permit allows parking during all enforced time periods in a business day; the Commuter Evening permit is limited and is restricted from parking in campus lots between 9 am and 1 pm. The Commuter Yellow permit is limited to 3rd and 4th year medical students ONLY.

COMMUTER BROWN AND COMMUTER EVENING: ELIGIBILITY IS ADDRESS DEPENDENT

We are prohibited from selling Commuter Brown permits to students whose local address is within the area enclosed by the blue circle on the [Commuter Evening Map \(PDF\)](#). Campus is accessible to students who reside in this area by other means, including public transportation. If your local address is within the blue circle you must select a "Commuter Evening" permit.

Proof of residency is required if applying for a Commuter Brown. Please be prepared to show a lease agreement or two CURRENT pieces of mail (example: current utility bill) with your name on them confirming residence when picking up a purchased permit or applying for a permit in our office. Please read the agreement carefully when you apply. It is a declaration you understand you must not misrepresent your local address in order to obtain a parking permit you do not qualify for.

Misrepresenting your address is a parking violation, with University sanctions, including, but not limited to, a referral to the Center for Student Conduct and your revocation of parking eligibility.
