UVM Project ECHO: Enhanced Diagnosis and Management of Dementia by the Primary Care Team

Course Co-Directors: Mary Val Palumbo, DNP, APRN, GNP-BC
John Steele Taylor, MD

ECHO Director: Elizabeth Cote

Series Faculty: John Coffin, MSW
Allegra Miller, M.Ed, Family Caregiver
Heather Zuk, OTR, CDRS, CDI
Tiffany Smith, MA, CRTS, CDP
Lori McKenna, MSW, LICSW
Jackie Rogers, PhD
Zail S. Berry, MD, MPH
Doug Franzoni, PharmD, BCGP
Michael LaMantia, MD (UVM Geriatric Services)
Amelia Gennari, MD (UVM Geriatric Services)
• RECORDING OF SESSION TO BEGIN
Agenda

• Introductions
• Objectives
• Didactic Presentation (~20-30 min)
• Case presentation
  • Clarifying questions
  • Participants – then faculty panel
• Discussion
• Recommendations
• Summary
• Closing Announcements
  • Submission of new cases
  • Completion of evaluations
Series Objectives

Learning objectives for this ECHO series include being able to:

- Describe current standard of care for diagnosis, treatment, and care of patients with cognitive impairment, Alzheimer’s disease (AD), and dementias – evidence-based review and approaches.
- Name non-pharmacological resources for family caregivers including caregiver supports and assistance in management of caregiver stress.
- List pharmacologic approaches to sleep and behavioral issues.
- Discuss side effects of pharmacologic approaches to sleep and behavioral issues.
- Identify Vermont-specific rules regarding driving and guardianship.
CME Disclosures

University of Vermont (UVM) Office of Continuing Medical and Interprofessional Education (CMIE) is approved as a provider of Continuing Medical Education (CME) by the ACCME. UVM designates this internet live activity for a maximum of 1.5 AMA PRA Category 1 Credits. Participants should claim only the credit commensurate with the extent of their participation in the activity.
CME Disclosures

**Interest Disclosures:** As an organization accredited by the ACCME to sponsor continuing medical education activities, UVMCMIE is required to disclose any real or apparent conflicts of interest (COI) that any speakers may have related to the content of their presentations.

**Meeting Disclaimer:** Regarding materials and information received during this educational event, the views, statements, and recommendations expressed during this activity represent those of the authors and speakers and do not necessarily represent the views of the University of Vermont.
Community Programming for People with Dementia and their Care Partners

Community Programming For People With Dementia And Care Partners

Session Objectives:

1. Older Americans Act Programs and Services Overview
2. Programs at the Regional Level (Map of Support)
3. Evidence Based Programs and Innovations Across VT
Administration of Community Living (ACL)

State Unit on Aging (SUA)

Area Agencies on Aging (AAA)

Service Providers and thousands of volunteers

Provides service and supports to 55,000+ Older Vermonters and 700+ care partners

- 980K Home Delivered Meals
- 66K Individual Rides
- 1,000+ hours of Homemaker Services
- 60k hours of Case Management
- 5,000+ hours of Respite Care
Our Priority -- Aging In Place

Helping older adults age in place through three key strategies

- Support core home & community-based services that help older adults stay at home
- Build partnerships that leverage additional public & private resources
- Look for innovations that will ensure continued effective outcomes in the future
All AAAs offer five core services under the OAA:

- **Nutrition**
- **Health & Wellness**
- **Caregivers**
- **Elder Rights** includes abuse prevention and long-term care ombudsman programs
- **Supportive Services**
  - Information and referral
  - In-home services
  - Homemaker & chore services
  - Transportation
  - Case management
  - Home modification
  - Legal services

OAA Core Services
OAA Services Eligibility
Older Adults 60+
Care Partners 18+ (Caregiver support services)

OAA prioritizes adults 60+ living with ADRD and informal care partners 18+ assisting individuals living with ADRD

**OAA Reauthorization in 2020 added people with early onset Alzheimer’s younger than 60 as a population who can be served with all OAA programs/services

OAA prioritizes those in greatest social and economic need
Person Centered Approach

- Personal Care
- Access/Services/Information
- Transportation
- Home Health Aide
- Chore/Housekeeping
- Meal Preparation
- Congregate Meals
- Adult Day Care
- Grocery Shopping
- Home Delivered Meals
- Benefits Counseling
- Financial Plan/Management
- Legal Assistance
- Medication Management
- Socialization/Senior Center
- Home Modification

How to Get Connected
Senior Help Line - (800-642-5119)
Vermont4a.org
Care Partner Specific OAA Services

- **Clinical Counseling** for individuals and/or care teams

- **Respite** - financial assistance for in home, out of home, over night, short term residential/facility care. Also supports self directed care approach.

- **Training** - for primary care partner or chosen care provider (self directed care) ie. Positive Approach Program, Powerful Tools for Caregivers, CARERS etc

- **Access Assistance** - Case management services from the AAA to assist care partner in obtaining/coordinating supports and services within community or across the state.

- **Supplemental Services** - financial assistance to purchase goods and services provided on a limited basis to complement the care provided by caregivers. ie assistive tech, home modifications for access and safety, incontinence supplies, medical transportation.
Choices for Care: Long-Term Care Medicaid

Eligibility:
• Clinical eligibility: individuals are clinically assessed as needing nursing home level of care (i.e. needing significant assistance with ADLs).
• Financial eligibility: individuals must meet financial eligibility, which includes having limited income and assets.

Settings:
• Once eligible, individuals have the option to receive care at home, in an Adult Family Care (shared living) home, residential care home, assisted living residence or skilled nursing facility.
• Care provided at home is not 24/7, so additional care partner support is often needed.

Services:
• Case Management
• Personal Care Services
• Companionship and Respite
• Adult Day Services
• PERS (Personal Emergency Response Services)
• Assistive Devices and Home Modifications

For more information: Choices for Care Eligibility, Application Process, Setting Options.

- Caregiver Clinical Counseling
- Caregiver Coalition
- Memory Cafe
- Alzheimer’s Association Support Group
- The Memory Clinic

[Map showing locations of support services across Vermont]
Evidence Based Programs (available regionally)

- **TCARE** - Care Partner assessment and resource tool (AAAs)
- **HomeMeds** - Home based medication management (AAAs)
- **Tai Chi** for Falls Prevention for individuals with ADRD, and Care Partners 60+ (AAAs)
- **PEARLS** ‘Program to Encourage Active, Rewarding Lives’ addressing late-life depression. For individuals with ADRD and/or mild MCI, and Care Partners 60+ (Southeast VT AAA)
- **Trualta** skills-based training platform for family members caring for aging loved ones living at home. (NEK AAA)
- **Powerful Tools for Caregivers** Self Care focused Caregiver training (AAAs)
- **CARERS** - Coaching, Advocacy, Respite, Education, Relationship and Simulation. (UVMMC)
- **TEACH** - Training, Education and Assistance for Caregiving at Home. (UVMMC)
Innovation Around the State

• Volunteer Respite Corps - Age Well

• Care Partner Clinical Counseling - SVCOA (in partnership with Rutland Mental Health)

• CARERS Program - UVM Memory Center

• Connect Share Care - Dartmouth Hitchcock Online Peer Support Program for Care Partners

• Virtual offerings of Memory Cafés, Support Groups, education/training and other programs.

• Dementia Friends Program and the Dementia Friendly Vermont initiative - VT Governor’s Commission on ADRD

• ‘Village’ model living - Mansfield Place

• Development of Hub & Spoke model with EHR integration

Discussion and Q & A
Cases/HIPAA

DO NOT INCLUDE:
• Names
• Address
• DOB
• Phone/Fax #
• Email address
• Social Security #
• Medical Record #

The discussion and materials included in this conference are confidential and privileged pursuant to 26VSA Section 1441-1443. This material is intended for use in improving patient care. It is privileged and strictly confidential and is to be used only for the evaluation and improvement of patient care.
Case Presentation Format

Case presentation from a participant (a real-world case, from the field)
Then
Clarifying questions about the case from group to case presenter
Then
Ideas, suggestions, recommendations from participants
Then
Ideas, suggestions, recommendations from ECHO faculty team
Then
Additional discussion, if any (All)
Then
Summary of case discussion
(course co-directors: Mary Val Palumbo, DNP, APRN, GNP-BC and John Steele Taylor MD)
• RECORDING TO BE STOPPED FOR CASE PRESENTATION
Prep for Next Session

Prior to each session, if you have specific questions for our faculty expert(s), please let us know and we will pass along ahead of time.

**SESSIONS ARE ON THURSDAYS FROM 7:30AM TO 9:00AM** (3rd Thursday of each month)
