GENERAL REQUIREMENTS

See *application for details*.

Funds are available to recruit and retain medical practitioners.

The recipient must be a Vermont resident and a primary care nurse practitioner, physician assistant, psychiatric nurse practitioner, certified nurse midwife, or physician (MD, DO, ND). Specialties include family medicine, general internal medicine/adult primary care, pediatrics, obstetrics/gynecology, geriatrics, and psychiatry. Must practice a minimum average of 20 (clinical) hours per week and 45 weeks per year in Vermont.

Eligible work sites are primary care practices (ambulatory/outpatient) or urgent care sites or outpatient mental health/substance use disorder settings or inpatient mental health settings or employees (paid) who work at a free health care clinic in Vermont

The practice site or region must be a healthcare workforce shortage area, as defined by the Program.

Employer matching funds are encouraged, but not required.

Recipient must sign a service obligation contract (typically 12 to 24-month commitment).

Grants go directly to pay educational loans.

Vermont's Educational Loan Repayment Program is administered by the Vermont AHEC Network. AHEC is a statewide program working to improve Vermont's community health systems and the health of Vermonters through health care workforce development; and is a partnership between the Northern Vermont AHEC, Southern Vermont AHEC, and the University of Vermont AHEC Program.

Vermont Educational Loan Repayment Program is contingent upon continued federal and state funding.
