HOW TO VIEW RECORDED GRAND ROUNDS
(AFTER THEY HAVE BEEN APPROVED AND UPLOADED)

UVM Health Network will be able to view recorded grand rounds videos in MyCredits if they login with their hospital email.

1. Login to the UVM MyCredits portal with your hospital email: https://www.highmarksce.com/uvmmmed

2. When a person logs in they will find the vLIFE Library in the right hand toolbar. That is where learners will need to go to view the recordings.

3. Click on “Find Online Courses”.

4. They can do a text search such as “Anesthesia”, followed by clicking on “Search”, to find the Anesthesia recordings. If they want to see everything, they can leave the text field empty and just click on “Search”.
5. Click on the name of an activity and then click on the ENROLL button:
