Visiting Clerkship Stipend at Northwestern!

Northwestern University Feinberg School of Medicine welcomes students from diverse backgrounds from the Class of 2022 to apply for senior elective rotations during the 2021-2022 academic year. Students will be matched with a faculty and resident advisor during the clerkship to provide mentorship and networking opportunities for rising 4th year medical students. Students will also be connected with members of the [Northwestern McGaw Underrepresented Residents and Fellows Forum](#).
