There is no way to do an attachment on the wire submission page (only link), hence me emailing this request.

This is for the 1st year class please-

Title – Become an ambassador for the White Coat Investor and we can earn free books!

Additional information: The White Coat Investor book is one of the leading sources of financial advice for aspiring and current physicians. They are offering a free book giveaway; but we need an ambassador from the first year class first! (They call this “champion”, but it is essentially an ambassador program). UVM LCOM does not yet have an ambassador. Please see the announcement attached and contact MedSFS@uvm.edu with questions or to apply!

NA for deadline
