Subject: Zoom Access for Students

Dear LCOM medical students,

We are pleased to announce, you now have access to a full paid license to Zoom, a web conferencing and virtual meeting platform. In order to use this license, you must follow the directions attached and you use your @med.uvm.edu account.

We are making Zoom available to all LCOM students to help support remote meetings, teaching and studying as social distancing is now a priority. In combination with other LCOM remote access tools (OneDrive, Teams, VIC Portal etc.), Zoom provides an excellent way to work remotely, yet collaboratively.

The setup instructions are straight forward, and the service center stands by, ready to assist if needed.

LCOM Technical Support/Help Desk

Phone: 802-656-7300

Footprints/Tickets: <https://comis.med.uvm.edu/footprints>

Thank you,

Gordon White, *Director of Enterprise Services and Support*

Laurie Gelles, *Educational Technology Team Lead*
